

Rochmat Iqbal Al-Ghazaly

Data Enthusiast

+62 812 1197 0050 | rochmatiqbalalghazaly@gmail.com | Bandung, Jawa Barat

Profil

A motivated Data Enthusiast freshgraduate with a passion for data analytics. Proficient in Python, SQL, and data visualization tools such as Power BI. Experienced in handling large datasets through academic projects. Strong analytical and problem-solving skills, with a keen interest in applying data-driven insights to real-world challenges. Eager to contribute and grow in a professional data science environment.

Skill

- Microsoft Excel
- Python
- Data Visualization
- Exploratory Data Analysis (EDA)
- Data Cleaning & Data Wrangling
- Descriptive Statistics
- SQL

Experience

Data Analyst Intern

Mei - Juli 2025

West Java Water Resources Department

- Supported water resource data analysis for monitoring purposes
- Collaborated with team members to process and validate data
- Assisted in developing reporting tools to improve data accessibility

Education

Bachelor of Data Science

2021 – 2026

Telkom University

Project

Water Discharge Dashboard

2025

- Developed an interactive data dashboard using Streamlit to visualize water discharge data
- Performed data cleaning and preprocessing using Microsoft Excel and Python
- Conducted exploratory data analysis (EDA) to identify trends and anomalies in water flow data
- Designed visualizations to support data-driven decision making for water resource monitoring

Faculty of Informatics Dashboard

2024

- Designed and developed a dashboard to visualize academic or operational data
- Performed data preprocessing and transformation for analysis
- Created interactive visualizations for better data interpretation with Power BI
